

Lemala Mpingo Ridge sits on top of an escarpment with sweeping views across the perennial Tarangire River and valley below and will match the same outstanding standards of comfort and service as the other properties in Lemala's collection. Each of the 15 spacious tented suites have been carefully positioned to maximize not only the sensational views over Tarangire but to also take advantage of cooling breezes during hot weather. They feature en-suite bathrooms, private decks, sunken outside lounges that convert to afternoon siesta beds and one of the suites has two bedrooms. A special feature is the private outside bathtub—perfect for soothing the soul and washing away the African dust after a day on safari. The elevated main lodge has a large lounge and bar, indoor and outdoor dining areas, a spa and swimming pool. Sundowners, early morning walks and game drives in new custom designed vehicles accompanied by Lemala's highly knowledgeable and experienced guides are some of the activities guests can look forward to during their stay.
