

# PRISON ISLAND

## PRISON ISLAND – quarantine hospital and giant turtles

Prison Island is so called because of its first usage as a prison, which was built in 1893. But in fact it was later used as a quarantine hospital and is nowadays the home to the giant tortoises which were banned from the city of Stone Town. Enjoy a 30-minute boat ride with a view of the Stone Town Skyline, after arriving on Prison Island your guide will teach you the history and introduce you to the giant tortoises.
