

# THE SAFARI BLUE

## Mena bay, Mangroves and Khwale Island

Leaving from Fumba, you are heading on a traditional wooden dhow towards your first snorkel stop. On the way you will hopefully meet Dolphins, playing around in the shallow Marine Park of Menai Bay. The reefs surrounding the sand bank are your second snorkelling trip; the underwater world will seem very different compared to your first stop. Enjoy the short trip with your boat towards your final stop where you reach the beautiful island Kwale, and our crew will be waiting for you! Depending on the tides you may stop in a very special place, where our boats are taking you into the world of an island full of mangroves for a swim. The tidal lagoon has centuries of history stored in its coral. It's a different swimming experience with warm waters and a stunning location for photographs
